CENSORSHIP INCIDENT REPORT

Rock Out Censorship wants to hear from you about incidents of censorship in your area that you can report. If you know of ANY incidents of censorship, no matter how small, please take the time to fill out this form to provide us details of what is going on. Depending on the severity of the situation, this report may lead to a full story in "THE ROC"--the voice of Rock Out Censorship and may generate national attention. Otherwise, your information will be kept in our records and given to other anti-censorship organizations across the country to be added to the growing list of documented incidents of censorship in this country. It is very important that we find out about ALL censorship activities as quickly possible so that we can act in a timely manner in fighting back and exposing the censors to the public.
